Safe Ministry Commitment

St Johns Park Baptist Church

Background & Governance

This policy outlines the underlying principles that direct our approach to safeguarding vulnerable people involved with St Johns Park Baptist Church. It applies to all staff, leaders, elders, deacons, coordinators, volunteers, trainees and anyone working on behalf of St Johns Park Baptist Church (“Relevant Leaders”). The church officers of St Johns Park Baptist Church take responsibility for ensuring these principles are reviewed regularly and embedded in the organisation culture at all levels.^{1 2}

1. Commitment to Safeguard Children

We are committed to the Biblical call to care for children by actively preventing harm and abuse, and by seeking to provide safe programs.³ We are also responsible and accountable for fulfilling our obligations under State and Federal law to protect children.

We are committed to ensuring that children and families are informed and involved in decisions that considerably affect them. We recognise the diverse needs of children should be taken into account and that their concerns be taken seriously.⁴ We are committed to embedding this care into all levels of our leadership and culture.

2. Commitment to Screening and Training Relevant Leaders

We are committed to ensuring all Relevant Leaders are screened, appropriately supported and trained through the process outlined below.⁵

1. All Relevant leaders must be regular participants at St Johns Park Baptist Church. They will have their potential roles and responsibilities clearly outlined for them as they start their role,
2. All Relevant Leaders must provide referees who can confirm the proposed leader is suitable to work with vulnerable people and that there is no reason the proposed leader should not be appointed in such a role,
3. All Relevant leaders must complete an Ansvar approved Safe Ministry Training Course (e.g. www.SafeMinistryTraining.com.au) which outlines appropriate behaviour including how to minimise the chances of harm and abuse, as well as training in how to identify and report cases of abuse,

Careful consideration must be given to the activities chosen, the venue, safe ratios of supervision, appropriate toileting practices, transportation, work health and safety, parental or guardian permission and confidentiality of records kept.

To help maintain appropriate standards, we will give all relevant leaders access to ongoing training and adequate supervision in their roles and responsibilities.
